

# Baptism celebration

**Congratulations to those who are being baptized today!** Baptism is a significant and special event in a person's life that says "I am committed to live a life that honors God."

Baptism is a Christian sacrament with roots in Jewish belief, promoted by John the Baptist and the disciples, and something Jesus received.

Maybe this is something you have been thinking about. Your desire for baptism may be for one of several reasons:

- ~ a recent decision to become a Christian;
- ~ adult baptism from infant baptism;
- ~ a return or new desire to follow Christ; or
- ~ a support for another being baptized.

If you are interested and have not signed up, **you may still be baptized this morning!** Please see one of the helpers in the back hall behind the sanctuary for directions of where to go for baptism.
