### Cleaning Volunteers

In heed of the concerns of passing viruses and other germs we will be implementing additional cleaning procedures for the next several weeks to sanitize the church and protect our congregation. We need a team of volunteers to wipe down pews, and other high traffic areas between services on Sunday mornings. We will also need additional volunteers that may come through the week to sanitize things such as door handles, children's toys, tables, and more. Please check the tear-off if you can help.
